SAFETY

Lightning Detection System: Play will be suspended from the 1st tee when **one long blast** from the warning system has sounded. Players already on the golf course are encouraged to take immediate shelter or return to the clubhouse when the system has sounded. Play will resume when **three short blasts** from the warning system has sounded.

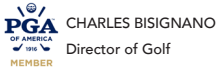

Be Alert to the Presence of Wildlife: Alligators, snakes, etc., on and adjacent to the golf course, cart paths and natural areas. Keep a safe distance between you and wildlife. It is better to skip a hole than risk injury or worse.

COURSE ETIQUETTE

- The Club promotes play in 4 hours or less.
- Play the tee that best reflects your ability.
- Play ready golf to assist with pace.
- All yardage markers and sprinkler heads are measured to the center of the green. Laser yardage devices are permitted for all play including tournaments.
- Please fill your divots with sand, repair your ball marks/spike marks on the green.

USGA Rules of Golf govern all play.

- Out of Bounds - Is determined by white stakes. In absence of white stakes, out of bounds will be determined by golf course property boundaries.
- Abnormal Course Conditions/Immovable Obstructions - Holes 6, 9 and 12 bulkheads. The player may take free relief and drop the ball one club length, no nearer the hole, when the bulkhead interferes with the player's ball, stance or swing.
- Immovable Obstructions Close to Putting Green. Rule 16.1: Sprinkler Heads - If a ball lies in the general area and an immovable obstruction on or within two club-lengths of the putting green and two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows under Rule 16.1b.
